

## **RAMSAY HEALTH CARE TRIATHLON PINK SYDNEY EVENT – LATE INFORMATION**

### **STARTERS LIST**

The starters list will be online today at [www.triathlonpink.com.au](http://www.triathlonpink.com.au). You can get your bib number from here. Please remember this number as you will need it to register in the morning.

### **PARKING**

Sydney Olympic Park Authority and the Sydney Olympic Park Athletic Centre have been very kind in organizing a flat \$10 parking fee for all Pinkies. All you have to do is get your ticket at registration and use it when paying your parking fees.

Best parking locations for the event are the Aquatic Centre which has approximately 500 spots and P4. These are the closest carparks to the event site.

### **RELAY TEAMS**

If you are in a relay team you all need to come to the pool for your briefing. You can then go to your bike rack to wait for your swimmer to arrive where you will tag in and take the timing chip from your partner.

### **COFFEE FOR SPECTATORS**

Let your friends and family know that Jamaica Blue will be providing coffee for a gold coin donation on Dawn Fraser Blvd. This will be on the way to the pool so they can pick up a coffee on the way to the pool to see you do your thing! All proceeds go to the National Breast Cancer Foundation.

### **WALK TO THE POOL**

Please see the event manual for the walk and entrance to the pool. Pinkies will need to enter via a back entrance. NO spectators will be permitted to enter via this entrance except for the kiddies event where one parent can enter with each Pinkie.

Spectators will need to walk along Dawn Fraser Blvd and enter via the front entrance of the aquatic centre.
